

Big Event 2014

In October, AIChE along with Omega Chi Epsilon worked UL's annual "Big Event," a day where students give back to their community. Mishaun Sturm, Austin Simineaux, Eric Regel, Lawrence "Troy" Manuel, Timothy "Steve" Boudreaux, Faith Johnson, and Patrick Spiller participated in the event. These students helped at Cathedral-Carmel Catholic School by repainting the swings located outside their playground facility.
