

CHEE electives offered

SPRING

Course	Pre-req
CHEE 402G: Corrosion Engineering	Permission of instructor required
CHEE 416G: Biochemical Engineering	Permission of instructor required
CHEE 417G: Polymer Engineering	CHEE 317 with a grade of "C" or better
CHEE 425: Pharmaceutical Operations	CHEE 302 and CHEE 310 with a grade of "C" or better
CHEE 450G: Solid-State Electrochemistry	Coreq: CHEE 317

FALL

Course	Pre-req
CHEE 422(G): Biomaterials	CHEE 317 or permission of instructor required
CHEE 411(Dr. Fei): Chemical Engineering Projects	CHEM 108 and PHYS 201
CHEE 440G: Renewable Energy	MATH 350, CHEE 302, and CHEE 310
CHEE 418G: Industrial Waste Treatment	Permission of instructor required
CHEE 427G: Advanced Materials Science and Engineering	CHEE 317 with a grade of "C" or better
